Dear Ms. McMillon:

You are invited to participate in our Ernie Thompson Day program on Monday, January 26 at 4:00 p.m. at the Tri-City People's Center.

This January marks the 5th anniversary of Ernie's death but his spirit is still with us as we see Tri-City grow.

The program, Monday, is intended to reconfirm our coalition effort to build self-reliance and to put power in our own hands.

We hope you can attend.

Yours for progress,

Becky Andrade
